## Henderson State Bank Scavenger Hunt 2018

### Official Rules

In helping to celebrate Henderson State Bank's 75th anniversary of serving Nebraska communities, we're looking to give some money away. How much? At least \$75,000 this year to various organizations in our communities: Giltner, Greeley, Henderson and York. If you find a wallet hidden in one of these communities you've just won yourself, or a local charity of your choice, a portion of that money. If you share a selfie on Facebook with the wallet you've found, tag Henderson State Bank (HSB) in your post with where/how you found it, and register the wallet at any HSB location, you will be entered in our drawing to win your choice of a **drone, Ipad or 32" TV**. You will also get \$20 to either treat yourself or support a local charity. Good luck!

#### \$20 to Treat Yourself

After bringing your found wallet, and the numbered card, into a Henderson State Bank or Giltner State Bank location, you will receive your \$20. Use this however you'd like.

Or

#### \$20 to a Local Charity

If you decide to donate to a local charity, tag them in your Facebook post, along with HSB, and we will also enter your selected charity in for a chance to win 1 of 10 additional **\$75 donations**. Whichever post containing a charity donation that gets the most shares and likes combined will receive a **\$1000 donation**. So, make sure to encourage your charity, and friends, to share and like your post. Deadline will be 5.00 PM on September 7th, 2018.

Henderson State Bank  
1040 N Main St  
Henderson, NE 68371
